APAX
ASSESSMENT PRIVATE LIMITED

ISO CERTIFICATION

Why ISO Certification

ISO certification is a seal of approval from a third party body that an Organization / Company / Firm or an entity runs to one of the international standards developed and published by the

International Organization for Standardization (ISO)

The ISO are an independent, non-governmental international organization who brings together experts to share knowledge and develop international standards that support innovation and provide solutions to global challenges.

ISO certification shows to key stakeholders that organization have a well-run business that has structure, is stable and ready for growth.
